

for her sport meant that she was determined to win gold for not just one race, but two. With both of these wins, Grace added two more state championships to her list of other championships. As a former athlete, I understand the amount of hard work and commitment to be awarded such a title. Grace is an example of the importance of perseverance and a strong work ethic. I am proud there is such young talent in our community, and to see him represent Rockford throughout the state.

Mr. Speaker, I would like to again formally congratulate Grace McLaughlin for her titles, and I join the rest of the community in wishing her every success in the future.

HONORING INDIANA'S RURAL
TEACHER OF THE YEAR JAMES
WILDERMUTH

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Mrs. WALORSKI. Mr. Speaker, I rise today to honor North Miami Community Schools agriculture teacher James Wildermuth on being named Indiana's Rural Teacher of the Year.

Since 2004, the Indiana Small and Rural Schools Association has been recognizing exemplary teachers from small and rural towns across our state. Mr. Wildermuth is well deserving of this high honor. He truly embodies the characteristics of an exceptional Hoosier educator who has had a profound impact on student achievement, serves as a collaborating member of the greater rural community, fosters valuable learning among his students, and exemplifies leadership in a way that should inspire us all.

Mr. Wildermuth has taught for 17 years, including the last four at North Miami Community Schools. In addition to his remarkable accomplishments and sterling reputation as a teacher, Mr. Wildermuth serves as the district advisor for the local Future Farmers of America Program. Given his dedication to his students and the rural community as a whole, it is no surprise that he stood out among more than 6,000 Hoosier teachers in over 70 school districts considered for this prestigious award.

I am grateful that North Miami students have Mr. Wildermuth as a role model and mentor. With his kind spirit and innovative teaching style, he is sure to keep his students engaged and focused not only on the lesson at hand but also on how the knowledge and skills they learn each day will benefit them in their future. Mr. Wildermuth is a gifted educator in many ways, and his ability to connect with his students and enlighten them beyond the standard curriculum is where he truly makes a difference. He uplifts his students and teaches them how to grow as individuals with the confidence to succeed. He is a true inspiration to young Hoosiers and a truly valued leader in our community.

Mr. Speaker, on behalf of 2nd District Hoosiers, I want to thank Mr. Wildermuth for all he has done to educate, support, and guide his students on the path to achievement. It is a privilege to represent teachers like Mr. Wildermuth who help make our communities vibrant and our children's futures bright.

RECOGNIZING NATIONAL
SUNGLASSES DAY

HON. DORIS O. MATSUI

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Ms. MATSUI. Mr. Speaker, I rise today to recognize National Sunglasses Day. When it comes to protecting the eyes from the sun's UV rays, sunglasses with lenses that offer UVA/UVB protection are so important. Individuals—regardless of age—should always wear sunglasses during daylight hours, as UV rays are present year-round, despite the season. Unprotected exposure to these UV rays may cause serious vision problems. In the short-term, individuals may experience sensitivity to light, trouble seeing, sunburnt eyes or eyelids, irritated eyes, and red or swollen eyes. While in the long-term, individuals may experience cataracts, macular degeneration, and even cancer on or around the eyes.

Today I want to honor the sunglass manufacturers and suppliers throughout my Sacramento Congressional District, the State of California and around the country. California accounted for nearly 14 percent of all Plano sunglass unit sales from March 2016 to March 2017, and is home to a variety of optical industry leaders. I commend the sunglass industry and their trade association, The Vision Council—which includes 92 members hailing from the state of California—for their ongoing research and outreach campaigns to educate consumers regarding the damaging effects of ultraviolet (UV) rays to the eyes, as well as the sunglass and lens solutions available to maintaining healthy vision.

Since UV damage cannot be reversed, prevention through protection is key. Schedule an annual eye exam to talk to your eyecare provider about your UV eye health, and join The Vision Council, the greater optical industry and the National Sunglasses Day movement by donning sunglasses not just today on June 27th, but every time you go outside.

HONORING WESLEY JONES

HON. CATHY McMORRIS RODGERS

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Mrs. McMORRIS RODGERS. Mr. Speaker, I rise today to honor the contributions of Wesley Jones of Spokane, Washington.

The American Network of Community Options and Resources (ANCOR) recently selected Wesley Jones as a recipient of its 2017 Direct Support Professional (DSP) of the Year Award for the state of Washington. Founded in 1970, ANCOR is a national trade association of more than 1,200 private providers supporting over 600,000 people with disabilities.

The prestigious Direct Support Professional of the Year Award is given annually to outstanding individuals in each state to recognize the work of direct support professionals across our nation who support people with intellectual, developmental and other significant disabilities.

Mr. Jones has created inclusive and engaging environments for the residents of Spokane that have increased the ability for individuals

with disabilities to pursue autonomy and self-determination. For one resident, Mr. Jones identified the triggers that led to self-injurious behaviors and helped calm the individual by painting his room a warmer color, changing the light bulbs, and purchasing new linens with warmer hues. For a resident who struggled to leave her home, Mr. Jones worked to build a trusting relationship and developed her coping skills, which ultimately enabled her to venture outside her home.

Direct support professionals, such as Wesley Jones, constitute the backbone of community supporters and services for American families and individuals across the country. I am proud to honor Mr. Jones for his valuable selfless contribution to the community of Spokane, and congratulate him again on receiving ANCOR's 2017 Direct Support Professional of the Year Award.

WELCOMING PRESIDENT MOON
JAE-IN

HON. PETER J. ROSKAM

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Mr. ROSKAM. Mr. Speaker, as co-Chair of the Congressional Caucus on Korea, I rise today to Congratulate President Moon Jae-in on his recent election victory and to warmly welcome him to Washington. His trip to our nation's capital comes at a pivotal time, and I look forward to working together to strengthen the important bond between the United States and the Republic of Korea.

Just last month, the Korean people went to the ballot box and elected President Moon Jae-in in free and fair elections—highlighting

the strength and vibrancy of Korea's democracy. The R.O.K., a successful and stable democracy surrounded by autocrats and dictators, continues to serve as the lynchpin of U.S. foreign policy in the Asia Pacific region.

Tensions are rising on the Korean Peninsula, and President Moon Jae-in's visit to strengthen the U.S.-R.O.K. alliance could not have arrived at a more pivotal time. North Korea continues to provoke the international community by conducting multiple missile tests and has yet to cease its unrelenting aggression against our democratic allies in the region. As his visit begins, I wish President Moon a successful summit with President Trump and look forward to working closely with the Trump Administration, and the Moon Administration to enhance the safety, security, stability, and success of the Korean Peninsula.

HONORING THE LIFE AND
MEMORY OF L.A. TARONE

HON. LOU BARLETTA

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Mr. BARLETTA. Mr. Speaker, it is with a heavy heart that I honor the life and memory of my good friend, L.A. Tarone, and express my deepest condolences to his colleagues, family, and friends.

On June 25, 2017, L.A. lost his courageous battle with lung cancer. A well-known reporter, columnist, television host, and radio personality, L.A. was a larger-than-life figure in Hazleton. His loss creates a void that will never be filled.

During the span of his storied career, L.A. hosted numerous segments on WYLN-TV, wrote for the Standard Speaker newspaper, and was a popular host on WILK radio. His voice was unmistakable. There was never a time when I talked to L.A. that I did not learn something important. I never met anyone who knew as much about baseball, music, and politics as L.A. Yet, even with his unmatched intelligence and 70's-style attire, he was a humble man, and a true gentleman.

At 58, L.A. was taken from us much too soon. He was not only a pillar of news, but also a giant in the Hazleton community. His personality and presence were so big that it felt like he lived long before his time, and I have faith that his impact on those of us in Hazleton will certainly live on long after his death.

Mr. Speaker, please join me in honoring the life and memory of L.A. Tarone.

WELCOMING PRESIDENT MOON
JAE-IN

HON. GRACE MENG

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Ms. MENG. Mr. Speaker, I rise today to join my colleagues in welcoming President Moon Jae-in to the United States for his first State visit this week.

The United States and the Republic of Korea share a long history of friendship and cooperation based on shared values and interests. Our ties are based on common values of democracy, human rights, and the rule of law. Our two countries work together to combat regional and global threats and to strengthen our economies. In fact, the Republic of Korea is the United States' sixth largest goods trading partner overall, and the 13th largest economy in the world.

President Moon's visit will reaffirm our strong bilateral relationship at an important time, as our countries work together to address mutual security threats and improve regional security. This is especially important now as the Democratic Republic of Korea's external aggression increases, and as the Republic of Korea's role as a regional and global leader continues to grow.

President Moon's visit will continue our partnership and I am sure his visit will lead to new areas of cooperation between our countries.

HONORING MARGUERITE AND H.F.
"GERRY" LENFEST

HON. ROBERT A. BRADY

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 27, 2017

Mr. BRADY of Pennsylvania. Mr. Speaker, I rise today to honor Marguerite and H.F. "Gerry" Lenfest on being named the winners of this year's Carnegie Medal. The Lenfests are true philanthropists who have given an incredible amount to the city of Philadelphia.

The Lenfests first founded the Lenfest Foundation in 2000. However, unlike most foundations, the Lenfest Foundation was not meant to remain in perpetuity. Rather, its purpose is to give all of its funds to deserving causes and then dissolve. Their approach embodies the philosophy of Andrew Carnegie himself, who said that "the man who dies rich, dies disgraced."

The Lenfests' contributions to the City of Philadelphia and the surrounding areas have been innumerable. Their contributions helped build the five-story Lenfest Pavilion at Abington Memorial Hospital, they have left a lasting endowment to the Curtis Institute of Music, and they also sponsor the Lenfest College Prep Scholarship, which offers support to Pennsylvania students who would normally be unable to afford elite college preparatory private schools. Perhaps most importantly, The Lenfests have done more than anyone else to ensure that Philadelphia's important cultural events live on. Through their unparalleled support of the Greater Philadelphia Traditions Fund, they kept events and organizations such as the St. Patrick's Day Parade, Steuben Parade, Puerto Rican Day Parade, Columbus Day Parade, Pulaski Day Parade, Greek Independence Day, Odunde, Pride Day, Mummies Parade, Chester Fine Arts Center, Philly Pops, and the Martin Luther King Day Celebration alive.

Their extraordinary philanthropic spirit has led them to give more than \$1.2 billion to deserving causes. Whether the beneficiaries are children at overnight camps, the Michener Art Museum, or the rowing team at Temple University, the Lenfests' generosity has touched countless Philadelphians. I cannot imagine more deserving recipients of this honor.

The City of Philadelphia would not be the same without the generosity of the Lenfest family. Mr. Speaker, I ask that you and my other distinguished colleagues join me in honoring Mr. and Mrs. Lenfest on receiving this tremendous honor.

Ms. STEFANIK. Mr. Speaker, I rise today to honor and recognize Erin Coe for her dedication to cultivating and promoting fine arts in New York's 21st District.
